

## Emmanuel College Latest News

### Social Justice Outreach Program

Each term, our students take part in a meaningful Social Justice Outreach Program, volunteering their time to support members of the community who are less fortunate. Recently, our students visited Reaching Out in the Inner West of Melbourne, where they helped distribute food and other essential supplies to those in need. Their efforts made a real difference and highlighted the importance of giving back to the community. We also had the privilege of attending the Project Compassion launch at Emmaus College. It was an inspiring event where we connected with students from other schools and learned about the incredible work that Caritas is doing to support vulnerable communities. These experiences continue to remind us of the power of compassion and the importance of standing in solidarity with those in need.

It was wonderful to welcome over 200 families to the St Paul's Campus Open Evening last night. We welcome you to join us at the Notre Dame Campus Open Evening:
