Dear Families,

A Celebration of Culture and Connection

Languages Week at Emmanuel College was a vibrant and exciting celebration of culture, diversity, and the joy of language learning. Students across the school embraced the opportunity to immerse themselves in a variety of cultural experiences, making the week both memorable and enriching.

Year 7 students enjoyed a dynamic Project Day packed with engaging activities. They were captivated by a powerful Taiko drumming performance, raised their voices in Italian song, tested their skills in a judo training session, and laughed along with a lively Commedia dell'Arte clowning show.

The cultural excitement spilled over into lunchtime, with gelati and churros trucks drawing eager crowds and adding a delicious touch to the festivities. The week was filled with energy, enthusiasm, and a true passion for languages. It was a fantastic celebration of global cultures and the joy of learning, leaving lasting memories for everyone involved.

We're excited to invite you to visit the College and experience our vibrant community firsthand. Join one of our upcoming College events for a student-led campus tour and the opportunity to meet our Principal.
