

## Emmanuel College Latest News

Our learning and teaching programs provide a curriculum that is challenging, ever-changing and suited to the needs of each student. We utilise appropriate technology and engaging learning experiences to assist students in achieving their personal best.

The sewing room is buzzing with energy—a vibrant mix of cutting, pinning, stitching, and creativity. Textiles classes are in full swing this term and our students have proudly completed their hand-sewing projects, which included creating a colourful puppet and a quirky scrappy monster. They are now moving on to mastering the safe use of sewing machines, with new projects such as a pencil roll and a stylish tote bag. Adding an eco-friendly touch, students are repurposing old clothing to craft their creations. Exciting times indeed.

### Join us for a College Tour in June

- Notre Dame Campus      Tuesday 17 June | 9:15am – 10:30am
- St Paul's Campus      Monday 23 June | 9:15am – 10:30am

We welcome you to join us for a campus tour led by student ambassadors where you will see the fantastic facilities and learn more about the innovative learning programs that we have here at Emmanuel.

Registration for events is essential and can be made by following this link: [Tour Dates and Registration](#) or via the College website: [Emmanuel College](#)

### Year 7 2027

Is your child currently in Year 5 and you would like to apply to Emmanuel College for the Notre Dame or St Paul's Campus? Applications will close on Friday 15 August this year and are now submitted online. Even if you are a current family with a child at the school or have a child commencing in 2026, you must apply for your Year 5 child by the closing date.
